Homecoming '85 featured many activities organized by the Student Council. Each day of the week was special with students wearing clothes or accessories to fit the various themes. We enjoyed Hawaiian Day, Hush Day, Sunglasses Day, Cartoon T-shirt Day and of course Red, Black and White Day. The seniors defeated the juniors in Powderpuff Football. A large crowd came out to watch the parade and The Cavs won the Homecoming game with Millington. Everyone enjoyed the Saturday night Homecoming Dance which finalized a great Homecoming week.

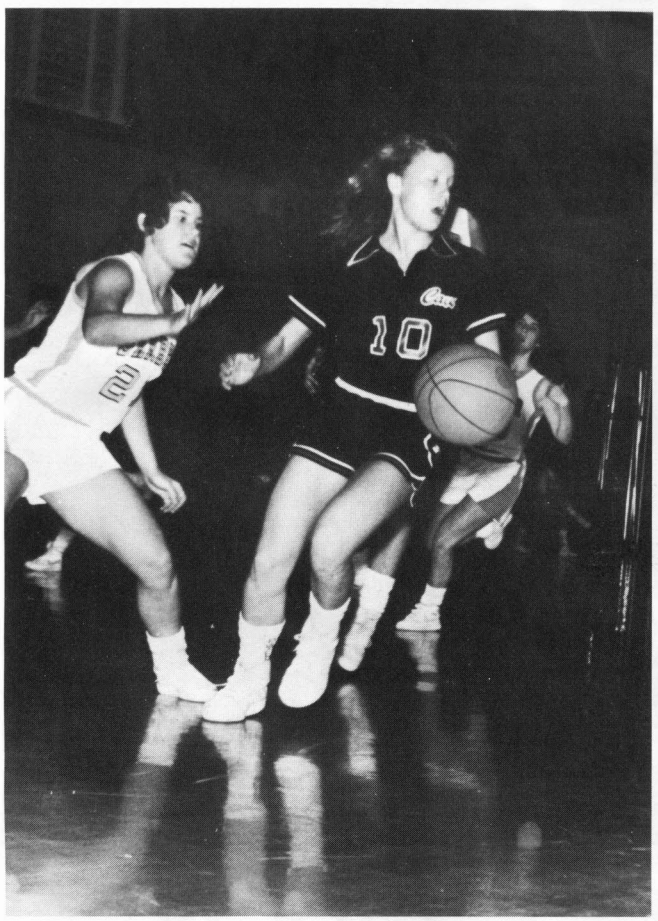
THE SEASON IN REVIEW

"Cavalier Girls Basketball" - everyone knows what that means--WINNING! The formula for success always came from hard work, physical play, and experience. Over the years that is the way it has always been for the Lady Cavs. This year was different. The missing element--experience!!

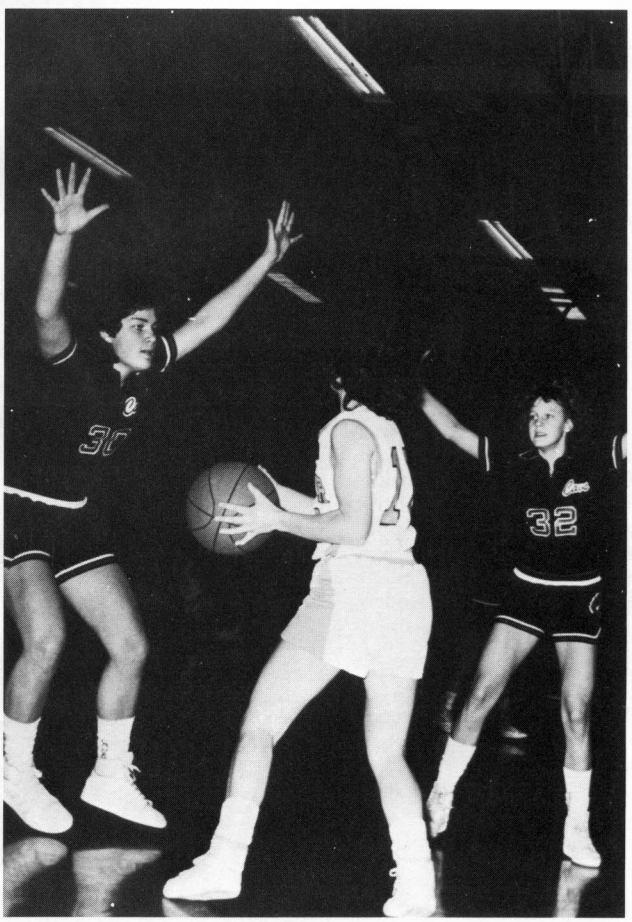
The girls started practicing in early July and had their regular summer session of tournament action with A & B class schools in the state. After returning from Northwood Basketball Camp, the girls went up to Manistee for a tournament which gave them an equivalent of 37 games before their regular season.

The Lady Cavaliers started District competition at Freeland High where they defeated Valley Lutheran. Next they went on to defeat Bay City All Saints to claim another District Championship Title!

For Regionals, the Cavs went to Ithaca for the second year. The first game they demolished Pewamo - Westphalia. Next, the Lady Cavs went up against a tough Morley Stanford. However, things didn't seem to be going right for them that night. Their shots wouldn't go in; they lost their "killer instinct"; and finally . . . they lost a very heartbreaking game.
A long season had come to an abrupt end. A season that will linger in the memory of the seniors and a season that will add experience for the underclassmen to build on for the future!



Julie Brefka takes the ball up the court.



Awwk . . . DO THE BIRD!!!!

'85 CAV'S BREAK FOUR

It has been said, "The best offense is a good defense." This was certainly proven by this years varsity football team. The 6-3 Cavs set four defensive school records. The records: fewest points allowed in a season (new record 70, old record 74); fewest rushing yards allowed in a season (new record 866 yards, old record 975); fewest passing yards allowed in a game (new record 0, old record 14); and fewest total yards allowed in a season (new record 1297, old record 1538). This strong defensive effort along with a strong offensive performance made the season memorable.

1985 - 86 proved to be an outstanding year for the C. H. S. band program. In addition to the usual performances at all home football games, boys and girl basketball games and concerts, the marching band was chosen to perform at Alma College's Band Day. The Jazz Band performed at Saginaw Community Hospital, the Quota Showboat and at Handley School for the Gifted and Talented.

At the M.S.B.O.A. District Festival the concert band earned straight I's (highest possible rating) in all areas. This marked the first time in the history of the school that this feat was accomplished.

The end of the year brought the greatest triumph for the band. The three bands (marching, concert and jazz) competed at the Universal Festival of Bands in Toronto, Canada. Each band earned a First Place Trophy for their performance. In addition to the group awards the band earned placques for: Best Percussion Unit, Best Marching Drill, Best Drum Majors (Greg Richardson and Susan Guzman), Outstanding Marching Soloist (Michele Miller), and Outstanding Jazz Soloist (Becky Pate). The Carrollton Bands just missed winning the overall trophy for the festival by only four points (out of a possible 300)!

The members of the band have worked hard for their achievements. The financial support of the Carrollton Music Boosters has made the program one of the strongest programs in the area. The extra efforts of the director, Mr. Paul Lichau, to seek higher goals each year were truly rewarded this year.

JAZZ BAND

The Jazz Ensemble performed at a special dinner for the patients of Saginaw Community Hospital in the Fall.

One of the favorite tunes of both the members of the Jazz Band and their audiences was "On Broadway" being performed in this picture at Handley School.

Volleyball in Carrollton has not been a dominationg sport. This year the team tried to make the sport shine.

For the first time, Carrollton had dual volleyball coaches. Both coaches, Mr. Harold Campau and Mr. John Bushroe, decided they wanted some new energy in volleyball. They took the girls to volleyball camp and to several tournaments. Next the team had fund raisers to buy some new equipment. Finally, they practiced and practiced.

The girls had a winning season with a total of 51 matches, winning 19 of them. The highlight of the season was defeating Frankenmuth 15-5, 15-9.

DR. ROBERT ASH RETIRES AS SUPERINTENDENT OF SCHOOLS

After serving the Carrollton Public Schools for 14 years, Dr. Robert D. Ash retired as Superintendent.

Dr. Ash worked diligently to make Carrollton one of the best school systems in the state. During his 14 years he has observed his goal of higher academic standards reached as well as having a superior extra-curricular program.

Dr. Ash said that he liked Carrollton because it was a small close-knit community. He described his job as superintendent as one that is effective only with the help of the school board, staff and community.

He began his career after graduating from Western Michigan University by teaching in Three Rivers, MI where he had grown up. He later served as a principal at three different schools and superintendent of one other district, prior to taking the top job in Carrollton.

Three Rivers, MI is where Dr. Ash plans to live during his retirement. He hopes to devote his spare time to travel. Dr. Ash would also like to do some writing and college teaching.

The years that Dr. Ash served in Carrollton will be remembered by all as years of many accomplishments in the district.

The 1985 - 86 school year was a year to remember. This year's faculty showed their concern for the education and welfare of the student body. This year the faculty helped the students through Homecoming and Pep Week by joining in the fun. The Pep Week student - staff volleyball game was enjoyed by all - even though the staff won!

The administration and faculty adopted a new academic honors program that will recognize all of the students that earn a 3.00 grade point average.

The teachers became actively involved with the reorganizing the Student Council and the Constitution of that group.

The year ended with a faculty sponsored luncheon for the underclassmen that showed high academic achievement this year.

The students would like to thank the staff for their extra efforts throughout this special year!
